

### Eurhostal 1 Bed Sea View (5th Floor), Alcossebre, 12579, 12000

This spacious 1 bedroom frontline apartment has probably the best views in town. Sea view, beach view, marina view and lighthouse view – pretty impressive. You certainly won't need a TV if you splash out on this top floor apartment in the ever popular Eurhostal complex with its family friendly atmosphere, two great pool and amazing location.

How much is a sea view worth? 20,000, 30,000 or 50,000k? It really depends on the buyer. If you live inland say in Madrid or London you may have a fabulous home already but you certainly don't have a view like this. Family holidays are precious so why don't you treat yourself to an apartment in the beautiful coastal town of Alcossebre and drink in this Mediterranean view – you won't regret it! This property consists of a good sized living room, small kitchen area, large bedroom, bathroom with separate toilet and a superb terrace with outstanding views. Seeing really is believing in the case so we recommend you organise a viewing – 964 157 235 or email [edward@eurohorizon.com](mailto:edward@eurohorizon.com)
